We wish to inform that the Ministry of International Trade and Industry (MITI) has published an impending termination notice on the imposition of anti-dumping duties on imports of **Biaxially Oriented Polypropylene (Bopp) Films** imported from **Indonesia, China, Chinese Taipei, Thailand and Vietnam**.

The subject merchandise (BOPP) is classified under the Harmonised System Code (**HS Code**) No. **3920.20.200** and ASEAN Harmonised Tariff Nomenclature (**AHTN**) **3920.20.10.00**.

The subject merchandise is subjected to anti-dumping duties from **23 April 2013 to 22 April 2018**. The rates of the anti-dumping duties imposed in relation to the imports of the subject merchandise are between 0% to 12.37% of the export price.

Interested parties likely to be affected by the termination of the imposition of the anti-dumping duties are invited to make their views known in writing. The views shall, in particular, address the following issues:

- (i) whether the continued imposition of the anti-dumping duties is necessary to offset the dumping of the subject merchandise, and
- (ii) whether the injury would be likely to continue or recur if the duties were removed.

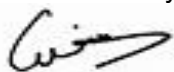

The views shall be dully substantiated with sufficient documentary evidence.

Interested parties must present their views and submit the required information not later than **22 December 2017**. The submission of the views shall be addressed to:
