

CIRCULAR No: 4 2016

TO: ALL MPMA MEMBERS

DATE: 14 January 2016

MPMA Roadshow – Central Region - 23 February 2016

We are pleased to inform that MPMA is organising a series of Roadshows at the Central Region and at its Branches to address challenges faced by the plastics industry caused by factors such as rising costs in human resources, energy and transportation; shortage of foreign labour, etc. These exclusive Roadshows feature presentations from the President, Datuk Lim Kok Boon, ICIS and MITI.

The **Central Region Roadshow** will be held on **Tuesday, 23 February 2016** from **8.30 am – 1.00 pm** at **Horizon 2 & 3, e.city Hotel@One City, Subang Jaya**. Branches' Roadshow dates are as follows:

MPMA Johor Branch – Thursday, 17 March 2016
MPMA Perak Branch – Wednesday, 20 April 2016
MPMA Northern Branch – Thursday, 21 April 2016

Companies are strongly encouraged to attend the Roadshows to broaden their knowledge of the plastics industry's issues, gain insight of the industry's situation on a national context and understand the strategies to move forward. The presentation by MPMA President, Datuk Lim Kok Boon on **Current Profile of the Malaysian Plastics Industry** would be exceptionally helpful on this context.

The MPMA Central Region Roadshow programme is attached. For further information please contact Ms Jacqui Sin or Ms Jackie Lam at MPMA Head Office at T: 603 7876 3027 F: 603 7876 2533.

Thank you.

Yours sincerely,

ST GIAM
Executive Director
