

Circular No: 5-2016

Date: 27 January 2016

To: All MPMA Members

MATRADE has revised the Market Development Grant (MDG) which is designed to help small and medium enterprises (SMEs) in their export promotional activities.

For your information, companies can apply for a reimbursable grant for eligible export promotional activities undertaken, subject to the availability of the fund.

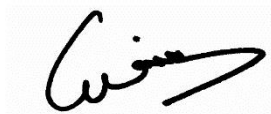

Attached please find the [Market Development Grant \(MDG\) 2016 Guidelines](#) from MATRADE. However, the following three (3) amendments were made, namely :

- i. A company that has been incorporated for less than one year may apply for MDG
- ii. The **maximum amount claimable** for Trade events and Investment Mission organized by Government agencies (including MATRADE), the Chamber of Commerce , Trade Associations and Professional Bodies have been increased to **RM2,000/-**
- iii. The **maximum amount claimable** for Special Trade Mission Courses organized by Government agencies, Chambers of Commerce , Trade Associations and Professional Bodies have been increased to **RM2,000/-**

The other conditions remained unchanged. For more information, please visit [MATRADE website](#).

Thank You.

Yours sincerely
Malaysian Plastics Manufacturers Association (MPMA)

ST GIAM
Executive Director
