MPMA GOLDEN JUBILEE COFFEE TABLE BOOK

We are pleased to enclose a copy of the MPMA 50th Year Coffee Table publication, "50 Years and Beyond" for your reference.

The publication records the historical moments of MPMA as well as major milestones and achievements of both MPMA and the plastics industry. As some of you would be aware, the publication was launched by MPMA President, Datuk Lim Kok Boon at the MPMA 50th Golden Jubilee Anniversary Dinner held on 8 July 2017.

Kindly also be advised a video was played at the Dinner signifying the launch of the MPMA 50th Year Coffee Table publication, "50 Years and Beyond". This video can be accessed at our website: www.mpma.org.my

We wish to take this opportunity to convey our heartfelt appreciation for your continued support to MPMA as we strive towards being a progressive trade association providing leadership to our members and the plastics industry.

On that note, we look forward to your continuous support and active participation in all our activities.

With our best regards and hope you would find the publication useful.
