MEF Survey on Implementation of a Consolidated Fund from the Unutilised Levy of the 1Malaysia Globally Recognised Industry and Professional Certification Programme (1MYGRIP) & Establishment of 30% Common Pool from Employer Contribution to PSMB

According to the PSMB Employer's circular No. 9/2015, PSMB had implemented a consolidated fund from the unutilised levy of the 1Malaysia Globally Recognised Industry and Professional Certification Programme (1MYGRIP) which will take effect on 1 April 2016.

PSMB registered employers are advised to utilise the balance of their respective 30% 1MalaysiaGRIP fund before 1 April 2016.

As announced in the recalibrated 2016 Budget, 30% from the employers contribution to the HRDF will be established as a common pool to enhance the competency and skills of employees through reskilling and upskilling including retrenched workers.
