

CIRCULAR NO: 170/2025

DATE: 1 DECEMBER 2025

TO: ALL MEMBERS

### **OPPORTUNITIES IN BRAZIL AND TAIWAN**

We wish to inform that MATRADE has shared market alerts on opportunities in Brazil and Taiwan

- i. Brazil's growing oleochemicals and specialty chemicals sector—driven by strong demand and a USD 15.5 billion chemical trade deficit—presents significant opportunities for Malaysia's sustainable, Roundtable on Sustainable Palm Oil (RSPO)/ Malaysian Sustainable Palm Oil (MSPO)-certified suppliers, with major Brazilian buyers already importing large volumes of fatty acids, alcohols, glycerine, surfactants, and cosmetic esters; to know more, click [Brazil's Oleochemicals and Specialty Chemicals Market 2025](#).
- ii. Brazil's Senate has approved Bill No. 892/2025 to establish PRESIQ, a major new incentive program under the Nova Indústria Brasil strategy aimed at modernising the chemical sector through decarbonisation, sustainable inputs, energy efficiency, and long-term competitiveness, now pending presidential sanction; to know more, click [PRESIQ – Brazil's New Incentive Program for the Sustainability and Modernisation of the Chemical Industry](#).
- iii. Taiwan's Ministry of Environment has released a draft 2050 Circular Economy Roadmap outlining long-term plans to shift toward low-carbon, resource-efficient industrial practices and deepen regional cooperation ahead of its full launch in 2026; to know more, click [Taiwan introduces draft Circular Economy Roadmap to support Sustainable Industrial Development](#).

We strongly encourage all members to review the MATRADE Market Alerts, which provides market opportunities for members to consider.
